About Tremor International

Tremor International Ltd is a global leader in advertising technologies, operating in more than 70 countries. It has three core divisions: Tremor Video (brand advertising), Taptica (performance advertising) and RhythmOne (media).

Tremor Video helps advertisers deliver impactful brand stories across all screens through the power of creative video intelligence—innovative video technology combined with advanced audience data and captivating creative. Tremor Video is one of the largest and most innovative video advertising companies in North America, with offerings in CTV, influencer marketing, and private marketplaces.

The Taptica performance business is an end-to-end mobile technology advertising platform that helps the world's top brands reach their most valuable users with the widest range of traffic sources available today. Its proprietary technology leverages big data to target quality media at scale. It works with more than 600 advertisers including Amazon, Alibaba, Bytedance, Netmarble, Stubhub and OpenTable.

RhythmOne drives real business outcomes in multiscreen advertising. Its highly-ranked programmatic platform efficiently and effectively delivers performance, quality, and actionable data to demand and supply-focused clients and partners – and its influencer marketing offering fosters action and awareness by connecting brands with influencers who create and distribute branded content to engaged consumers.

Tremor International Ltd is headquartered in Israel and maintains offices throughout the US and Canada, Asia-Pacific, Europe, India, and Latin America, and is traded on the London Stock Exchange (AIM: TRMR).
